

Eng. Mashhor Ablawi
ICAO Senior Officer

Eng. Ablawi has extensive and multidisciplinary experiences in the civil aviation sector for over 20 years. He is the Senior Officer of ICAO MID Regional Office with more than 15 years of experience at ICAO HQ and MID Regional Office, during which he led and managed numerous ICAO global and regional initiatives, programmes, projects and missions, ensuring effective implementation of ICAO's strategic objectives, SARPs and Plans.

Eng. Ablawi leads No Country Left behind (NCLB) Projects and ICAO's Universal Safety Oversight Audit Programme (USOAP) missions, supporting States' senior management in optimizing States' programs to achieve ICAO's strategic objectives and international standards.

Eng. Ablawi utilizes his well-established high-level networking to facilitate direct and close cooperation to execute ICAO Work Programmes in the MID Region. He leads the organization and conduct of major global and regional events such as Global Ministerial Aviation Summits
